Home media

All of the films except for *Scooby-Doo and the Reluctant Werewolf* and *Yogi and the Invasion of the Space Bears* were released on VHS shortly after their original broadcasts by Worldvision Home Video (a sister division of then-Hanna-Barbera owner Taft Broadcasting). *Scooby-Doo and the Reluctant Werewolf* and *Yogi and the Invasion of the Space Bears* finally saw VHS releases in 1991 and 1992 by Goodtimes Home Video. On December 7, 2010, Warner Bros. released *Yogi's Great Escape* on DVD via the Warner Archive.[14] Warner Home Video also released *Scooby-Doo Meets the Boo Brothers* on DVD on May 6, 2003,[15] and *Scooby-Doo and the Ghoul School* on DVD on June 4, 2002.[16]

The Jetsons Meet the Flintstones has been released on VHS four times, first by Worldvision Home Video on April 7, 1988,[17] then by Hanna-Barbera Home Video on January 26, 1989, then by Kid Klassics on October 20, 1989,[18] and later by Warner Home Video on July 3, 2001.[19] The film was finally released on DVD for the first time on June 14, 2011.

On July 28, 1988, *Yogi Bear and the Magical Flight of the Spruce Goose* was released on VHS videocassette in the United States.[20] On December 7, 2010, Warner Home Video released *Yogi Bear and the Magical Flight of the Spruce Goose* on DVD via the Warner Archive.[21] As of August 2011, all of the *Hanna-Barbera Superstars 10* episodes are available on DVD through Warner Archive.[22] While all 10 films have appeared on Cartoon Network and Boomerang, two cable channels primarily dedicated to classic Hanna-Barbera material, only the Scooby-Doo films in the series still appear in regular rotation on Cartoon Network and Boomerang, as part of *Cartoon Theatre* on Cartoon Network and *Boomerang Theatre*. All 10 films were also released on VHS videocassette since they have aired on Cartoon Network since the 1990s.

The *Hanna-Barbera Superstars 10* films were released on Blu-ray separately and in a complete boxset through Warner Archive on February 20, 2024, along with Scooby Goes Hollywood and Yogi's Ark Lark as bonus features.[23] All of the films were remastered in HD, with the cel animated films being re-scanned from 35mm film in high definition, and the digitally painted films being upscaled and deteclected from their 1-inch videotape masters.[2]
